

Hi, my name is **SCUTES**.
I'm a crocodile.
I'm named after the bones that cover my back.
They are my armor.

I live in South Florida.

I'm very good at hiding.
When I'm in the water, you can only see
my eyes and my nostril.
Do you like playing at *Hide and Seek*?
It's my favorite game.

I love eating, fish, iguanas
and other animals.
But I can spend a year
without eating.
